

# UNLOCK YOUR POTENTIAL.

ANOTHER JAMU-INSPIRED INGREDIENT OF INDONESIA FROM JAVAPLANT, SPECIFICALLY DESIGNED AND HIGHLY ENGINEERED.

Euryco8 is made of Tongkat Ali root extract, concentrated to at least 8% Eurycomanone, the highest concentration in the market today.

Eurycomanone is naturally occurring bioactive found in Tongkat Ali. Studies show Eurycomanone increases energy, stamina, physical endurance, genital sensation and sexual performance in adult men.

Tongkat Ali has traditionally been consumed by our ancestors for many years to increase energy, enhance sexual potency and improve fertility.

Euryco8 is fully GMP manufactured, verified and auditable.

Euryco8 is Kosher certified and Halal certified.

Euryco8 is conveniently available in dried powder, suitable for variety of manufacturing applications.

If you are a manufacturer and looking for Tongkat Ali extracts, look no further. Ask for a free sample of Euryco8 today and find out if Euryco8 is right for your specific and unique needs in manufacturing applications.

Euryco8 is scientifically tested and verified to meet the highest quality, safety and efficacy standards.
